# Help Support Neighbours Pub

# Warm, Inviting, Safe and Close To Home

Rick and Lori Lang have been residents of West Kelowna for the past fifteen years. They moved from Fort St. John, BC in 1997 to West Kelowna with their three young children and established their home in the Shannon Lake area. During their near decade-long residency in the Shan-

non Lake area, their three children Alisa, Cheree, and Micheal, were all fortunate to attend the wonderful schools in West Kelowna; including Shannon Lake Elementary. Rick and Lori have owned the Shannon Lake mall for the past six years.

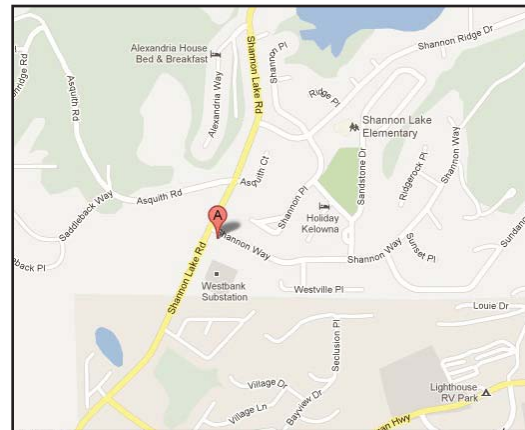

Richard Lang was born in 1961 in Penticton, BC, is a successful entrepreneur who has always had a strong passion for the Okanagan region. The decision to move to West Kelowna enabled him to follow his true passion for entrepreneurship and enjoy exceptional success in the electronics business.

Lori Lang was born in Dawson Creek, BC in 1962 and has been a hair stylist since her early twenties. Shortly after moving to West Kelowna, Lori opened her business at home. Through her business, she has been rewarded with the opportunity develop numerous relationships and life-long friendships with the residents of West Kelowna.

Rick and Lori are looking forward to working together in an exciting business venture opening a casual Pub in the Shannon Lake Area of West Kelowna. They are looking for support to make a positive change in the neighborhood by creating a respectful and community friendly business in West Kelowna.

# Our Vision

Situated in the Shannon Lake area of West Kelowna, Neighbours Pub is a new establishment that we hope to open for business in the summer of 2012. At Neighbours the vision is to create a casual, mature, and respectful environment while providing excellent pub service.

Neighbours will strive to attract a mature audience which will be a distinguishing quality about Neighbours atmosphere. Picture a quaint environment filled with friends and familiar faces from the local neighbourhood. Now top this feeling off with the outstanding and respectful service that the Neighbours staff pledges to provide,

and a complimentary ride home in the communal shuttle when required. This is the customer experience that Neighbours hopes to provide to the residents of Shannon Lake area.

With this vision in mind, Neighbours Pub believes they can achieve this vision by operating with the kindness, respect, and integrity the local community deserves. Neighbours will treat the customers and local residents as the number one priority. In doing so, Neighbours Pub hopes to create a positive relationship with the local neighbourhood and community.

# Why Neighbours Pub?

When Lori and I first looked at the mall we thought it would be a good place to have a quaint Neighbourhood Pub. We believe that having a small Neighbourhood Pub will go a long way in reducing the number of people drinking and driving on the road.

As part of our plan, we will provide a courtesy shuttle to those patrons in need. Furthermore, the close proximity of Neighbours Pub will significantly reduce the cost of a cab fare if you so choose. Finally, the ability to walk to a pub, have a couple of drinks, and walk home on a sunny day is a fantastic advantage.

Lori and I have given it a lot of thought and have discussed it with a number of our friends and neighbours in the area. After much consideration, we feel that a Neighbourhood pub would be a substantial benefit to the Shannon Lake area.

In the following months we will be hosting several open houses in order to have the opportunity to meet our Neighbours. We look forward to meeting you and thank you for your time and effort in this matter.

Sincerely Your Neighbours,

Rick and Lori Lang
